The Washington University Campus Store is pleased to offer students the opportunity to purchase course books on-line through wubookstore.com Booknow. By Clicking the button below, you are authorizing WU to send Follett Higher Education Group a list of the courses for which you are registered. You will then be taken to the wubookstore.com Booknow website from which you can proceed to place your book orders. The Campus Store will notify you by email when your order is ready to be shipped or picked up.
Note: Textbook orders will use the Home course number for cross-listed classes.
